

## SunTherm Manufacturing Inc. Line Card

### MS Series

#### *Variable Speed Air Handler Multi-Position*

- ECM Variable Speed Motor
- Upflow Or Horizontal Application
- DX Or Chilled Water Cooling
- Heat Pump, Electric Or Hot Water Heating
- 208/230/1/60 or 115/1/60

### B41, B15 Series

#### *Multi-Position Electric Heat Air Handlers*

- Vertical Upflow Or Horizontal Left or Right
- Add On Up To 20kw Heat
- Blower Assembly Slides Out
- 208/230/1/60 or 115/1/60

### H41, H15 Series

#### *Multi-Position Hot Water Air Handlers (Hydronic)*

- Vertical Upflow Or Horizontal Left Or Right
- Up To 106K BTU Heat @ 180° EWT
- Includes Freeze Protection Switch
- Circulating Pump Is Available
- 208/230/1/60 or 115/1/60
- Includes Circuit Board

### AHW1-2 Series

#### *Wall Mount Air Handlers (Electric and Hydronic)*

- Recessed "In the Wall" Or Closet Mounted
- Add-on Up To 10KW Electric Heat
- Up To 3 Tons Of Cooling
- Optional Louvered/Solid Door Available
- Electric heat models are 208/230/1/60—Hot Water models are 115/1/60

**NEW!**

## SunTherm Manufacturing Inc. Line Card

### HO2/HO3 Series

#### *Wall Recessed Hot Water Air Handlers*

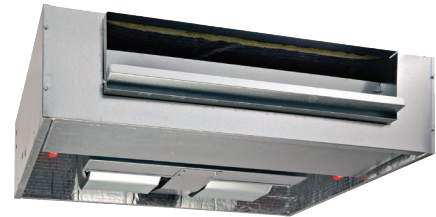

- Recessed "In the Wall" Or Closet Mounted
- Up To 109k Heat @ 180° EWT
- Includes Freeze Protection Switch
- Circulating Pump Is Available
- 208/230/1/60 or 115/1/60

### C/S Series

#### *Cased And Uncased Ceiling Mounted Fan Coil*

- DX Or Chilled Water Cooling
- Electric, Hot Water Or Heat Pump Heating
- Compact Concealed Design
- Easy Access For Service and Maintenance
- Add On Electric Heat up to 10kw

### HE Series

#### *High Efficiency Ceiling Mounted Fan Coil*

- Advanced Engineered "A" Coil Design
- ECM Brushless DC Motor
- DX Or Chilled Water Cooling
- Electric, Hot Water Or Heat Pump Heating
- Available as Cased or Uncased
- Up to 58K BTUH Hot Water Heat
