

LIMITED WARRANTY

Commercial Aire (CAP) warrants this product to be free from defects in factory workmanship and material for a term of ONE YEAR under normal use and service. CAP will, at its option, repair or replace any parts that prove to have such defects according to the terms outlined below. This warranty covers only the equipment described by the product Model and Serial Number listed below.

For your benefit and protection, fax this completed sheet to CAP at (817) 624-8581 promptly after installation. This will initiate the warranty period. In the absence of recorded warranty coverage, the warranty period will begin upon date of manufacture based upon the serial number provided. The warranty period for repair or replacement parts shall not exceed 2 years from date of manufacture.

This warranty extends only to the original consumer purchaser and is non-transferable. For this warranty to apply the product must be installed according to CAP recommendations and specifications, and in accordance with all local, state, and national codes; and the product must not be removed from its place of original installation.

CAP strongly recommends regular periodic preventative maintenance on this equipment. A licensed contractor can ensure your maintenance program meets the conditions of the warranty, maximize the efficiency of the equipment, and service your unit within the mandated guidelines with regard to unlawful discharge of refrigerants into the atmosphere.
